

CONSENT FORM

Study Title: Discovering Hidden Community Leaders – WP1 Landscape Mapping

Ethics/ERGO number: [\[ERGO/FEPS/111889\]](#)

IRAS number: [\[if applicable\]](#)

Version and date: Version 2.1 March 2026

Thank you for your interest in this study. It is very important to us to conduct our studies in line with ethics principles, and this Consent Form asks you to confirm if you agree to take part in the above study. Please carefully consider the statements below and add your initials and signature or typed name only if you agree to participate in this research and understand what this will mean for you.

Please add your initials to the boxes below if you agree with the statements:

Mandatory Consent Statements	Participant Initials
I confirm that I read the Participant Information Sheet version 1, dated March 2026, explaining the study above, and I understand what is expected of me.	
I was given the opportunity to consider the information, ask questions about the study, and all my questions have been answered to my satisfaction.	
I agree to take part in this study and understand that data collected during this research project will be used by the research partners for the purpose of this study.	
I understand that my participation is voluntary and that I am free to withdraw from this study at any time without giving a reason.	

Additional Statements - please add your initials in the boxes below you to agree to:

Additional Consent Statements	Participant Initials
I consent to the use of my data for the purposes of creating an internal (restricted access) landscape map, which will be used by the Software Sustainability Institute to report on the SSI Fellowship Programme to other staff members, funders, the Advisory Board, as well as to evaluate and improve promotional and recruitment strategies for the Fellowship Programme.	
I consent to the use of my data for the purposes of creating a public landscape map, including the publication of information that may identify me, such as name, job role, research area, institutional website, and affiliation. I understand that my direct contact information (email address) will not be published. I understand that this data will be shared in full with the RCM Cooperative for use in future mapping and research projects.
